GRANT APPLICATION

Name and work Address of Applicant(s)

Date:

Telephone:

Application Guidelines:

Grants will be considered for: Projects related to your building's EXCELS Plus Plan; projects for special needs students; projects for "at-risk" students; social skills development; creative instructional units; collaborative efforts; and selective software.

Grants will NOT be considered for: Teacher stipends; computer hardware; video cameras; food preparation activities; t-shirts; large equipment items.

All grant applications MUST be signed by the building principal:

Building Principal or Department Head (Signature)

Date

Please submit this grant request form and SIX (6) copies of your grant application.

Please attach the following required information:

1. **PROJECT TITLE and DESCRIPTION.**
2. Anticipated Total Cost of the Project.
3. Sources of other funds (Commitments to date, other applications, etc.)
4. Budget: Please provide an item-by-item analysis of how grant money will be spent.
5. Purpose: How does this project drive student achievement?
6. Implementation: What student outcomes will take place?
7. Size and duration: How many students/staff will be served or affected by the project? How long?
8. Action Plan: How does this project address "Content Standards"? How does this project address your building's EXCELS Plus Plan? Please be specific.
9. Evaluation: Please provide evidence of success with students using **specific data**.
10. Continuation. If requesting repeat funding for a project, please attach an evaluation and summary report of previous funding allocation.
